

# BOUNDLESS LICENSING

The License Management Dashboard  
For Cisco Meraki Infrastructures

## Overview

Boundless Licensing is the only License Management dashboard designed to streamline the management of Cisco Meraki licenses.

Powered by the Dashboard API, the application integrates with Meraki network infrastructures to address multiple use cases – forgotten and expired licenses, wrong orders, and other manual management inefficiencies.

Boundless Licensing centralizes device and licensing information in a single pane of glass and offers a built-in renewal system, providing Meraki administrators with an easy, fast and reliable way to manage their licenses.

## MANAGE YOUR LICENSE INVENTORY MORE EFFICIENTLY

Save yourself hours of tedious and error-prone work by making license management more efficient and simple. No more wasted time manually checking which licenses are up next. Instead, get this information centralized in a single screen.

### SIMPLIFY THE RENEWAL PROCESS

Make the licensing reporting actionable by managing asset renewals and placing new orders in just a few clicks.

### MINIMIZE THE RISK OF ERROR

Order the right licenses and just for the devices currently in use. Don't forget to renew a license ever again.

# License Management

The new License Management dashboard for Cisco Meraki networks lets you easily track the lifecycle of your licenses by providing wider visibility cross-organization.

## SEARCH PARAMETERS

Filter the data per organization and network

## DASHBOARD INTEGRATION

Aggregate all items available in your network infrastructure using the Meraki API

## CENTRALIZED DATA

Gather both PDL and Co-term license information in a single pane of glass

Organization	Devices	License Model	Next Expiration Date	Action
BOUNDLESS_DIGITAL_SOUTH_AMERICA	5915 devices	Co-Term	Jan 26, 2025	<a href="#">RENEW</a>
BOUNDLESS_DIGITAL_SOUTH_EAST	10462 devices	Co-Term	May 14, 2023	<a href="#">RENEW</a>
BOUNDLESS-LAB	4 devices	Co-Term	May 25, 2022	<a href="#">RENEW</a>
WAYNE-ENTERPRISE-GERMANY	3 devices	Co-Term	Mar 31, 2024	<a href="#">RENEW</a>

Network	Model	Name	Serial Number	License Expires
Wayne-Enterprise-Network-1	MR32	Device - MR323	XXX-XXX-URMU	Mar 31, 2024
Wayne-Enterprise-Network-2	MX64	-	XXX-XXX-NZ9H	Mar 31, 2024

## NEXT EXPIRATION DATE

Sort the inventory by closest expiration date

## LICENSE INFORMATION

Expand each organization to get granular information on the status of each asset

Network	Model	Name	Serial Number	License Expires
Wayne-Enterprise-Network-1	MR32	Device - MR323	XXX-XXX-URMU	Mar 31, 2024
Wayne-Enterprise-Network-2	MX64	-	XXX-XXX-NZ9H	Mar 31, 2024
	MS250-24P	-	XXX-XXX-ZKRL	Mar 31, 2024

License Management dashboard – Device and licensing information.

## ASSET STATUS

Easily distinguish between the assets in use and those placed in inventory

# License Renewal

Boundless Licensing integrates with Rhino Networks and enable users to place new orders in all simplicity, in just a few clicks.

Network	Model	Name	Serial Number	License Expires	Renew All
Boundless Digital	MR42	Reelables	XXXX-XXXX-XXXX	Mar 17, 2027	<input type="checkbox"/>
Boundless Digital	MX64	MX_CCTV	XXXX-XXXX-XXXX	Aug 24, 2024	<input checked="" type="checkbox"/>
Boundless Digital	MR33	-	XXXX-XXXX-XXXX	Mar 17, 2027	<input type="checkbox"/>
Boundless Digital	MR33	-	XXXX-XXXX-XXXX	Mar 17, 2027	<input type="checkbox"/>
Espace et Mobilier	MR33	-	XXXX-XXXX-XXXX	Mar 17, 2027	<input type="checkbox"/>
Espace et Mobilier	MX65	-	XXXX-XXXX-XXXX	Aug 24, 2024	<input type="checkbox"/>
Espace et Mobilier	Z3	-	XXXX-XXXX-XXXX	Aug 24, 2024	<input type="checkbox"/>
Espace et Mobilier	MS320-48FP	-	XXXX-XXXX-XXXX	Mar 24, 2022	<input checked="" type="checkbox"/>
Espace et Mobilier	MT10	-	XXXX-XXXX-XXXX	Nov 19, 2021	<input checked="" type="checkbox"/>
Espace et Mobilier	MT10	Server Room	XXXX-XXXX-XXXX	Mar 17, 2027	<input type="checkbox"/>
Espace et Mobilier	MT12	Server Rack	XXXX-XXXX-XXXX	Mar 17, 2027	<input type="checkbox"/>
Espace et Mobilier	MT20	Accounts Room	XXXX-XXXX-XXXX	Mar 17, 2027	<input type="checkbox"/>

## LICENSE RENEWAL

Place asset renewal orders in all simplicity from a single dashboard

## GRANULAR SELECTION

Select the licenses you want to renew and remove those you don't

License Management dashboard: license renewal selection.

## FAST AND EASY ORDERS

Once your order is placed, it will be processed by Rhino Networks and you will receive a confirmation email soon after. As soon as the licenses are confirmed by Cisco Meraki, the order number and information will be emailed to you directly. This is usually within 48-72 hours of the order being placed.

## LICENSE CART

Purchase new licenses or get them renewed in a few minutes

## GRANULAR SELECTION

Adjust the model, duration and quantity of each license to better match your needs

Device Model	Devices	License Edition	Duration	Quantity	License	Price HT	Total Price	Actions
MX64	1	Enterprise	1 year	1	Meraki MX64 1 Year Enterprise License	\$195.38	\$195.38	
MR32	1	Enterprise	1 year	1	Meraki MR 1 Year License	\$93.90	\$93.90	

Total: \$289.28

License Cart – Order information.

# Specifications

## Compatibility

Boundless Licensing is compatible with Cisco Meraki infrastructures. The solution requires the enablement of the API access and read-only access to the infrastructure.

## Features

- Cloud-based software accessible via the web.
- Assisted setup and integration with the Cisco Meraki dashboard.
- Device and license data aggregation from Cisco Meraki organizations to centralized dashboard.
- Order processing system for Cisco Meraki licenses through integration with Rhino Networks.

# Licensing

There is one licensing option available for the Boundless Licensing solution.

Plan	Duration	Features	Payment	Support
Standard	365 days	License Management License Cart	Annual	Included

**Note:** Licensing plans are subject to future evolutions.

# Ordering

To place an order for a Boundless Licensing license, get in touch with us at [contact@boundlessdigital.com](mailto:contact@boundlessdigital.com), or through our contact form at: [www.boundlessdigital.com](http://www.boundlessdigital.com). If you are based in the US, contact our official US distributor: Rhino Networks - <https://www.rhinonetworks.com>.

# Claiming an order

Cisco Meraki order confirmations and order numbers will be delivered via an email to the shipping contact when the order is fulfilled.

To claim your license order, you just need to proceed as you typically do. Orders can be claimed from the Organization Inventory section in the Cisco Meraki dashboard, via Order Number.

For orders containing only a license key and no serial numbers, the license key must be claimed via Organization > Configure > License Info > Add another license.
